Have you had Chines medical treatments before?

YES

NO

What are you questions/concerns, if any about treatment?

I have a minimum 48 hours cancellation policy. Please be aware that it is difficult to fill your appointment even with 48 hours notice. I appreciate as much notice as possible. I reserve your appointment time especially for you.

I do not double or triple book appointment times. This allows me to spend more time with each individual patient and manage my time effectively so as not to inconvenience you. Policies aside, I know that life often intervenes at the last moment and some situations cannot be avoided. I will work with you and appreciate your attentiveness to this matter.

I ask for payment to be made at the time of your visit. Our bank charges us a \$15.00 fee for any bounced checks. Therefore, if you bounce a check, please be prepared to pay that fee.

CONSENT TO SERVICES

DIGITAL CONSENT TO TELEMEDICINE SERVICES and MEDICAL RECORD INFORMATION

I hereby request and consent to telemedicine, Chinese herbal medicine treatments and other procedures within the scope of the practice of Matthew Brookman L.Ac, on me (or on the patient named below, for whom I am legally responsible) by Matthew Brookman and/or other licensed acupuncturist who now or in the future treat me while employed by, working or associated with or serving as back-up for Matthew Brookman including those working at the clinic or office listed or any other office or clinic, whether signatories to this form or not.

I understand that methods of treatment may include, but are not limited to herbal medicine, vitamins and other nutraceuticals, medical foods, wellness/lifestyle counseling, physical exercise/qi gong recommendations and nutritional counseling.

The herbs and/or nutritional supplements that have been recommended are traditionally considered safe, although some may be toxic in large doses. I understand that the herbs and supplements may need to be prepared and the teas consumed according to the instructions provided orally and/or in writing.

I will provide Matthew Brookman a list of all current prescription medications, over-the-counter medicines, supplements, and diagnosed medical conditions. This will be reviewed in the first appointment. I will also notify Matthew Brookman of any changes in medications while undergoing treatment.

I will immediately notify a member of the clinical staff of any unanticipated or unpleasant effects associated with the consumption of the herbs or other supplements. I understand that herb-drug interactions are rare but possible and I assume all risks associated with any interaction, and I will take my Chinese herbs at least 1.5 hours apart from any prescription medication.

I understand that this document describes the major risks of treatment, other side effects and risks may occur. I will notify a clinical staff member who is caring for me if I am or become pregnant.

I do not expect the clinical staff to be able to anticipate and explain all possible risks and complications of treatment, and I wish to rely on the clinical staff to exercise judgment during the course of treatment which the clinical staff thinks at the time, based upon the facts then known is in my best interest. I understand that the results are not guaranteed.

I understand the clinical and administrative staff may review my patient records and lab reports, but all my records will be kept confidential and will not be released without my written consent. I understand that any correspondence over email is not encrypted and therefore not secure. Any personal information that you do not wish to be shared over email needs to be explicitly informed to Matthew Brookman L.Ac.

By voluntarily replying to this digital document (pdf), I show that I have read, or have had read to me, the above consent to treatment, I have been told the risks and benefits of Chinese herbal medicine and other procedures, and have had an opportunity to ask questions. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
